

REGULATIONS FOR THE RENTAL OF BICYCLES AND E-BIKES

Article 1 - Objectives and purposes

- a) These Regulations govern the activation and management of the rental service of bicycles.
- b) The service has the purpose of establishing a system of use of the environmentally friendly territory, of safeguarding the biodiversity of the territory, sustainable tourism in line with the objectives and aims of environmental protection of the Aspromonte National Park Authority.
- c) The rental and use of pedal assisted bicycles require knowledge and unconditional acceptance by the user of this regulation, tariffs, of the pick-up and return times of the bicycle and / or e-bike.

Article 2 - Users

- a) The use of the bicycle presupposes the physical fitness, the majority age and the technical expertise of whom intends to lead it. Therefore the user by renting the bicycle or e-bike (bicycle a assisted pedaling) declares to be suitable of adequate capacity and appropriate competence, without placing any reservations. Use by minors is permitted prior written consent from the parent / guardian, the rental agreement must be countersigned by the parent (attaching an identity document); the parent with the signature of contract assumes all the responsibilities indicated in the articles and by the civil code e authorizes the minor to use the bicycle or e-bike under the conditions set forth herein regulation.
- b) To obtain the rental of a bicycle, the User owes the manager a valid identity document.
- c) The User and the Manager at the time of delivery of the bicycle will check the status of functionality of the bicycle.

- d) The User is obliged not to give the guide, use or custody of the bicycle to others rented and, at all times, is responsible for the same.
- e) The User must use the bicycle in such a way as to avoid damage, both to it and to its relative ones accessories (helmet, tripod, etc.); you will also have to use the closure provided each whenever the bicycle is left unattended and locks the bicycle to the racks or in any case to elements firmly anchored to the ground.
- f) Before the rental of the e-bikes, a cash deposit must be paid with the following amounts: € 50.00 hours 3.5 rental - € 100.00 1 day / rental - € 200.00 2 to 3 days / rental - € 300.00 from 3 days a 7 days rental. The deposit will be returned at the end of the rental after verification of the conditions of the bike (any damage or breakages) and of the returned equipment by the User. As an alternative to paying the deposit, it is possible to leave the credit card for the duration of the rental. For non traditional bike rental no deposit is required
- g) The lessor may refuse the rental of the bicycle to a person deemed unable to conduct it (pursuant to articles 186 and 187 of the Highway Code) or for other reasons or in any case an unquestionable judgment of the landlord himself

Article 3 - Liability

- a) The User is responsible for the vehicle until it is returned to the manager, furthermore it is responsible for damage caused to himself, to the bicycle, to third parties and to property during use a rental. No form of compensation may be requested from the manager.
- b) During the rental, the User does not enjoy any form of insurance nor is the bicycle covered by RC insurance. The User is therefore required to comply with the rules of the Code of the road. The manager declines any form of responsibility in case of improper use of the vehicle or failure to comply with the rules of the road.

Article 4 - Damage / Breakages

- a) The bicycle must be returned in the same condition in which it was collected; in the event of damage and / or breakages caused by or suffered by the bicycle, compensation will be requested.

b) In case of theft of the bicycle, the user must show a copy of the theft report presented to the competent Authorities and delivery of the sum of 150.00 Euros as a guarantee for the bicycle, while, In case of theft of the e-bike, the User must compensate the manager of the total amount of the list value of the stolen e-bike.

Article 5 - nice rental

a) The bicycle must be returned, respecting the times and places present in the rental agreement.

b) The delivery of the e-bike outside the rental hours, without agreed authorization will come sanctioned equal to Euro 25 / hour.

c) Failure to return the e-bike without prior communication and authorization from part of the manager, will be considered as a theft offense and therefore reported immediately to the competent judicial authority.

d) The User can ask the manager for an intervention to collect the bicycle or e-bike, whose cost will be indicated by the manager. The telephone withdrawal timing must be agreed in based on availability; the user then until the reconse.
